

Advice on Domestic Violence

Are you suffering any sort of abuse from your husband or wife, boyfriend or girlfriend, partner or other members of your family?

Advice centres are places where you can get advice, information and guidance on your legal rights, entitlements and responsibilities. Some of these have drop-in sessions and/or telephone advice lines; others provide specialist legal services, and can only take on cases by referral from other agencies.

All the advice agencies in the Southwark Legal Advice Network (SLAN) listed below have been accredited with the CLS Quality Mark, which means that they meet the quality standards set by the Legal Services Commission.
